

Culturally and Linguistically Diverse Educators from the Cancer Council SA

The Cancer Council SA has trained community cancer educators from Bosnian, Chinese, Vietnamese, Greek, Italian and Arabic speaking backgrounds to provide presentations about nutrition, lifestyle, cancer prevention, bowel cancer and bowel cancer screening as well as the services of the Cancer Council SA.

To book a speaker, free of charge, to present in these community languages or in English on any cancer related topic please contact:

Pam Bekkers
Speakers Bureau Coordinator
