

## Cancer support groups

Cancer support groups connect people affected by cancer and help them to share their experiences. Currently within South Australia cancer support groups operate independently to Cancer Council SA. These groups are either led by community members and /or health professionals. ***The views expressed by these support groups are the views of the support groups and are not necessarily those of Cancer Council SA.***

All information is correct at the time of updating.

Below is a list of support groups that have provided contact details to Cancer Council SA. If you would like to add to or update this information please call Cancer Council [13 11 20](tel:131120) or email [chl@cancersa.org.au](mailto:chl@cancersa.org.au)
