

Volunteer transport

We offer a free, limited volunteer transport service – Transport to Treatment. The service travels Monday to Friday between Greenhill Lodge to major treatment centres. The service provides access to Royal Adelaide Hospital, St Andrews, Tennyson and Genesis Care Flinders.

Our friendly volunteers also provide transport to shopping facilities twice a week. Please enquire at reception if you would like to know more about these services.

Financial considerations

Thanks to the generous support of the South Australian community we are able to offer accommodation at Greenhill Lodge at a subsidised rate. Please enquire at reception for rates.

If you need to come to Adelaide for cancer treatment and live 100km or more from the city, you may be eligible for the Patient Assistance Transport Scheme (PATS), which provides subsidies towards the cost of travel and accommodation*. Talk to your doctor, social worker or reception for more information.
